

The BT84 and BT84-XL are general purpose weight indicators. Durable, all metal enclosures make these indicators usable in heavy commercial and industrial plant environments. Simple to understand and easy to navigate setup parameters. Unique discrete component design make this indicator one of the only field repairable weight indicators on the market today.

Features:

- NTEP Approved 99-154
- 6-digit LED display
- 5-button keypad
- Aluminum enclosure (84)
- AC wall transformer (84)
- Stainless enclosure (84-XL)
- AC line powered (84-XL)
- Standard swivel bracket

BT84 BT84-XL INDICATORS

ISO 9001 REGISTERED

BT84-XL Features & Specifications:

Specifications:

- Six-digit, .56" display
- NTEP approved, 10,000 divisions
- One bi-directional RS-232 port
- Push-button tare
- Push-button zero
- Auto-zero
- Peak hold
- Selectable unit conversions
- Ten displayed updates per second
- 0.002% linearity over range
- Selectable filtering
- -10°C to 40°C operating temperature
- Powers up to (8) 350 Ohm load cells
- Customizable serial string
- Digital calibration recapture
- 10VDC excitation
- Extended parameters
- Can be used as remote display
- Up to 50,000 displayed counts

Options:

- Battery power (84)
- Time and date chip
- Set-point board
- Lexan overlay

Made in America at the B-TEK Scales manufacturing facility in Canton, Ohio. The BT84 and BT84-XL provide the dependability required for commercial and industrial weighing applications.

EXPERIENCE. B-TEK Scales has a proud history that reaches back further than its 1994 inception. With multi-generational trade experience, the B-TEK team brings over 80 years of industry know-how to the table. That long-term knowledge of the weighing industry enables B-TEK Scales to focus on bringing new and innovative solutions to our truck scale customers.

TECHNOLOGY. In 2003, to continually improve the technology B-TEK Scales offers its customers, B-TEK announced a joint venture with the Bilanciai Group of Modena, Italy. Bilanciai Group manufactures more than 2,200 motor truck scales per year, worldwide. Bilanciai Group's advanced manufacturing techniques and scale technologies, in conjunction with B-TEK Scales' outstanding truck scale product lines, yields many advantages that B-TEK's competitors can't offer. The B-TEK and Bilanciai Group joint venture is headquartered in Canton, Ohio USA.

EXTENSIVE PRODUCT LINE. B-TEK Scales offers an extensive line of eight styles of motor truck scales spanning across all industry applications. From agricultural to industrial steel, coal and aggregate applications, B-TEK Scales offers a variety of scale solutions for a wide range of budgets and requirements. B-TEK Scales has the ability to manufacture full electronic digital, analog and electro-mechanical motor truck scales.

CUSTOMIZATION. B-TEK is proud to be known for its ability to manufacture custom scale platforms. From non-standard sizes to retrofitted components, B-TEK's commitment to quality and service will deliver a product that fits seamlessly within our customers' current configurations.
