

Features and Specifications:

- Desktop mount molded ABS plastic enclosure
- Single or Duplex scale input versions
- High visibility backlit LCD full graphic display
- Full alphanumeric keypad - 56 keys
- Preconfigured truck in / out program with stored tare memory
- Text based configuration menus
- Time and date
- (3) "Plug & Play" option card slots
- (2) optically isolated contact inputs
- (2) relay outputs (110 VAC @ 200mA)
- (1) RS-232 serial port
- (2) RS-232 / RS-422 / RS-485 configurable ports
- (1) 0-20 mA / 4-20 mA / 0-10 V configurable analog output
- 5-point linearization function
- (6) built-in language choices
- Ethernet option card
- (4) input / (4) output option card
- NTEP COC: 03-066

D800 DIALOGIK INDICATOR

ISO 9001 REGISTERED

The D800 indicator

The D800 indicator shown with the TM295 printer

The Dialogik family of indicators.

EXPERIENCE. B-TEK Scales has a proud history that reaches back further than its 1994 inception. With multi-generational trade experience, the B-TEK team brings over 80 years of industry know-how to the table. That long-term knowledge of the weighing industry enables B-TEK Scales to focus on bringing new and innovative solutions to our truck scale customers.

TECHNOLOGY. In 2003, to continually improve the technology B-TEK Scales offers its customers, B-TEK announced a joint venture with the Bilanciai Group of Modena, Italy. Bilanciai Group manufactures more than 2,200 motor truck scales per year, worldwide. Bilanciai Group's advanced manufacturing techniques and scale technologies, in conjunction with B-TEK Scales' outstanding truck scale product lines, yields many advantages that B-TEK's competitors can't offer. The B-TEK and Bilanciai Group joint venture is headquartered in Canton, Ohio USA.

EXTENSIVE PRODUCT LINE. B-TEK Scales offers an extensive line of eight styles of motor truck scales spanning across all industry applications. From agricultural to industrial steel, coal and aggregate applications, B-TEK Scales offers a variety of scale solutions for a wide range of budgets and requirements. B-TEK Scales has the ability to manufacture full electronic digital, analog and electro-mechanical motor truck scales.

CUSTOMIZATION. B-TEK is proud to be known for its ability to manufacture custom scale platforms. From non-standard sizes to retrofitted components, B-TEK's commitment to quality and service will deliver a product that fits seamlessly within our customers' current configurations.

The full line of B-TEK Dialogik Digital Weight Indicators includes the D410, D450, and D800. These proven indicators offer the latest technology in a design well suited for use in a wide-range of applications.

The D800 is an innovative terminal that utilizes an extended alphanumeric keypad and large High Visibility LCD display. The D800 includes powerful built-in Multi-Scale, Truck Management, Batching and Product Code management programs.

Thanks to its versatility the D800 terminal can be employed for a wide variety of uses, meeting the most demanding application requirements.

Options:

- Ethernet card for remote-location programming / maintenance
- Batching software for managing formulas and products
- Axle-weighing software
- 12VDC power supply
- 4 remote input / 4 setpoint output card
- 4 remote input / 12 setpoint output card
- RS-232 / RS-42eight memory
- MPP permanent weight memory
- Panel mount kit
